

PROJECT UPDATES

Market Street:

On September 20th, the process to survey, clean, repair and replace major sewer lines began. The project is on schedule to be completed later this fall relieving the stress on our wastewater treatment plant.

Sturgis Park Pavilion Repair:

Repairs to the pillars supporting the structure of the pavilion are underway and should be completed in time for most of our holiday activities in the Park. Once a date has been identified, reservations will again be accepted for public rental and use of the pavilion.

Black-Eyed Susan:

Request for Proposals for purchase of the Black-Eyed Susan were issued with a public bid opening scheduled for Tuesday, October 3rd, at 4pm at Town Hall. Staff will review the proposals with the Mayor and make a recommendation to the Town Council at their regular meeting on October 10th.

Visit us anytime at:

www.snowhillmd.gov

The Town of Snow Hill wishes everyone a
HAPPY HOLIDAY SEASON!

OCTOBER / NOVEMBER
/ DECEMBER 2023

MESSAGE FROM THE RIVER

News from the Mayor & Town Council

Moratorium on Cannabis: With the adoption of legislation from Annapolis legalizing recreational cannabis use in Maryland, the Mayor & Town Council have established a 9-month moratorium on any applications for local businesses designed to provide for the public use, processing or sale of cannabis products. During that time, the Town will thoroughly research the matter from a zoning and permitting standpoint and solicit input from the public. As always, the Town encourages users to be aware of the law and act responsibly within the law.

Holiday season: 'Tis the season, Snow Hill! We have lots of amazing events planned for the final months of 2023, such as our Track or Treat and Halloween Parade in October, Black Friday and Tree Lighting Ceremony in November, and Christmas Parade and New Years Eve Celebration in December. Check out our events section for more details and keep your eye peeled for further announcements on our website and social media!

Door Knockers: The final publication of the water/wastewater fee increase has been issued in the form of door hangers. These door hangers have the latest list of potential sources of relief, and the Town urges anyone who knows anyone in need of assistance to get in contact with the listed agencies as soon as possible. For the full report, brochure, or more information, contact Town Hall at: [410-632-2080](tel:410-632-2080).

The Legacy Logo Mural has returned!: Great News! The beautiful and captivating historic Legacy Mural, missing these past many months from the side of the Plak building on North Washington Street, has been faithfully restored in all its glory! Special thanks to artist Wally Makuchal, Jr. for his tremendous work! This project was made possible by a grant from the State of Maryland.

The Council is here for you: Want to get in touch with leadership? Please contact any of our helpful councilmembers with any concerns, ideas and questions you have!
